

SEVERN RUN HOMESCHOOL UMBRELLA POLICY INFORMATION

Severn Run Umbrella is a community ministry of Severn Run Evangelical Presbyterian Church and is registered as an educational oversight program with the Maryland State Department of Education. Our program operates in compliance with the Code of Maryland Regulations (COMAR) 13A.10.01 and is designed for responsible families who are sincere in their efforts to guide their children spiritually and academically. Because we recognize God's mandate throughout the Bible for parents to take active responsibility for their children and for their children's education, we feel no need to add a list of requirements beyond those legally stipulated. Instead, we are assured by your registering with Severn Run Umbrella that you are striving for God-led excellence.

Policies and Procedures

By applying to Severn Run Umbrella you are agreeing to the following:

- (1) to take accountable responsibility for your child's education.
- (2) to submit a Registration Form.
- (3) to submit a Textbook and Lesson Materials form for each child being registered.
- (4) to include a family membership fee of \$50.00, checks made payable to Severn Run Umbrella and mailed to Severn Run Umbrella, 1624 Millersville Road, Millersville, MD 21108.
- (5) participate in a pre-enrollment conference when initially joining the umbrella.
- (6) to participate in a midterm telephone conference with your reviewer. This is an opportunity to discuss your progress and to note any changes in your curriculum, goals, and plans.
- (7) to meet with your reviewer for an end of year conference at the church in May and to provide samples of each student's work in each subject. This purpose of this visit is to confirm your compliance with the state's requirements by showing that the textbooks and lesson materials listed on the form were actually used for instruction.
- (8) to work with your reviewer to correct any obvious deficiencies in your educational program. If you fail to cooperate in this effort, Seven Run Umbrella will be obligated to discontinue its umbrella coverage of your homeschooling.

We consider it an honor and a privilege to minister to homeschool families who maintain diligent, God-led obedience to a high standard in every aspect of their homeschooling. Please contact us at severnrunumbrella@hotmail.com if there is any further way we can serve you.
